

Dialogflow Standard Edition terms of service

By accessing or using the Standard Edition of Dialogflow, you are agreeing to the [Google APIs Terms of Service](https://developers.google.com/terms/) (<https://developers.google.com/terms/>), which are incorporated by reference.

Additionally, you may have access to certain Firebase services. You agree that your use of Firebase services will adhere to the applicable [Firebase Terms of Service](https://firebase.google.com/) (<https://firebase.google.com/>). If you integrate any apps with Firebase on this project, by default, your Firebase Analytics data will enhance other Firebase features and Google products. You can control how your Firebase Analytics data is shared in your Firebase settings at [anytime](https://support.google.com/firebase/answer/6383877) (<https://support.google.com/firebase/answer/6383877>).

These terms do not apply to use of "Dialogflow Enterprise Edition" which is governed by the [Google Cloud Platform License Agreement](https://cloud.google.com/terms/) (<https://cloud.google.com/terms/>).
