Beta

This feature is in a pre-release state and might change or have limited support. For more information, see the [product launch stages](https://cloud.google.com/products/#product-launch-stages) (<https://cloud.google.com/products/#product-launch-stages>).

After you create an instance, you can edit the instance at any time to change its settings. For information about instance settings and how changing settings can impact an instance, see [Instance Settings](https://cloud.google.com/sql/docs/sqlserver/instance-settings) (<https://cloud.google.com/sql/docs/sqlserver/instance-settings>).
