Job Search troubleshooting

Please see the [Job Search troubleshooting guide](#)

(<https://support.google.com/cloud/troubleshooter/9400003>) if you are experiencing any of the following issues, commonly encountered when generating search results:

1. A job or jobs are being returned in search results that should not contain these jobs.
2. A job or jobs are not being returned in search results that should contain these jobs.
3. A job or jobs are being returned too high or too low in the search results.
4. Similar jobs are being returned next to each other in the search results.
5. Not enough jobs are being returned in my search results.
